**Notice of Warning and Notice of Deficiency**

**Re: Violation of Title 02, N. C. Administrative Code ("NCAC") Chapter 52J, Sections .0202 (b) and (d); .0203 (a); and .0204 (a) and (b).**

**AWS-WL-2016-6**

Boarding Kennel: Continental Boarding Kennel  
License No. 10552

Dear David Grindstaff:

The Animal Welfare Section ("AWS") of the Veterinary Division of the N. C. Department of Agriculture and Consumer Services ("NCDA&CS") conducted facility inspections of Continental Boarding Kennel ("the kennel") on January 11, 2016 and February 19, 2016. The facility inspections were marked "Disapproved" due to the number and continued nature of the deficiencies as reflected in the inspection reports attached hereto. Despite these same deficiencies being noted during a December 16, 2015 facility inspection, the kennel has not corrected them. Despite being instructed not to house animals in these non-compliant areas, the two recent inspections showed the areas to be in use.

The facility inspections revealed numerous repetitive deficiencies and areas of non-compliance with the NC Animal Welfare Act and the rules promulgated thereunder. Based on the results of this inspection, as detailed in the attached inspection reports, you are in violation of the following regulations:

- 1) 02 NCAC 52J .0202 (b), (d);
- 2) 02 NCAC 52J .0203 (a); and
- 3) 02 NCAC 52J .0204 (a), (b).

Pursuant to N. C. General Statute §19A-30, this Warning Letter, in conjunction with the enclosed Inspection Reports, serves as written notice indicting in which respects the kennel has failed to satisfy the requirements for the holding of a license as boarding kennel.

The kennel is directed to immediately cease housing animals in the non-compliant areas. Failure to abide by this directive shall be considered to be a willful disregard or violation of the NC Animal Welfare Act and the rules issued pursuant thereto.

In addition, the kennel is to correct all deficiencies described in the enclosed facility inspections within 30 days of the date of receipt of this letter. Continued or future violation of these statutes or regulations will be considered to be a willful disregard or violation of the same. Such willful disregard or violation of the NC Animal Welfare Act and the rules issued pursuant thereto may result in disciplinary action against your facility's license pursuant to N. C. General Statute §19A-30 and/or the assessment of a civil penalty of up to \$5,000.00 per violation under N. C. General Statute §19A-40.

Your immediate attention to this matter is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read "Patricia Norris", with a stylized flourish at the end.

Patricia Norris, DVM, MS  
Director of Animal Welfare Section  
Veterinary Division

cc: Dr. R. Douglas Meckes, State Veterinarian  
Joe Reardon, Assistant Commissioner, NCDA&CS  
Tina Hlabse, General Counsel, NCDA&CS  
Christopher R. McLennan, Assistant Attorney General

## Appendix

### RELEVANT LAWS AND REGULATIONS

#### **§ 19A-30. Refusal, suspension or revocation of certificate or license.**

The Director may refuse to issue or renew or may suspend or revoke a certificate of registration for any animal shelter or a license for any public auction, kennel, pet shop, or dealer, if after an impartial investigation as provided in this Article he determines that any one or more of the following grounds apply:

- (1) Material misstatement in the application for the original certificate of registration or license or in the application for any renewal under this Article;
- (2) Willful disregard or violation of this Article or any rules issued pursuant thereto;
- (3) Failure to provide adequate housing facilities and/or primary enclosures for the purposes of this Article, or if the feeding, watering, sanitizing and housing practices at the animal shelter, public auction, pet shop, or kennel are not consistent with the intent of this Article or the rules adopted under this Article;
- (4) Allowing one's license under this Article to be used by an unlicensed person;
- (5) Conviction of any crime an essential element of which is misstatement, fraud, or dishonesty, or conviction of any felony;
- (6) Making substantial misrepresentations or false promises of a character likely to influence, persuade, or induce in connection with the business of a public auction, commercial kennel, pet shop, or dealer;
- (7) Pursuing a continued course of misrepresentation or making false promises through advertising, salesmen, agents, or otherwise in connection with the business to be licensed;
- (8) Failure to possess the necessary qualifications or to meet the requirements of this Article for the issuance or holding of a certificate of registration or license.

The Director shall, before refusing to issue or renew and before suspension or revocation of a certificate of registration or a license, give to the applicant or holder thereof a written notice containing a statement indicating in what respects the applicant or holder has failed to satisfy the requirements for the holding of a certificate of registration or a license. If a certificate of registration or a license is suspended or revoked under the provisions hereof, the holder shall have five days from such suspension or revocation to surrender all certificates of registration or licenses issued thereunder to the Director or his authorized representative.

A person to whom a certificate of registration or a license is denied, suspended, or revoked by the Director may contest the action by filing a petition under G.S. 150B-23 within five days after the denial, suspension, or revocation.

Any licensee whose license is revoked under the provisions of this Article shall not be eligible to apply for a new license hereunder until one year has elapsed from the date of the order revoking said license or if an appeal is taken from said order of revocation, one year from the date of the order or final judgment sustaining said revocation. Any person who has been an officer, agent, or employee of a licensee whose license has been revoked or suspended and who is responsible for or participated in the violation upon which the order of suspension or revocation was based, shall not be licensed within the period during which the order of suspension or revocation is in effect. (1977, 2nd Sess., c. 1217, s. 11; 1987, c. 827, s. 67.)

#### **§ 19A-40. Civil Penalties.**

The Director may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Director shall consider the degree and extent of harm caused by the violation. The clear proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1995, c. 516, s. 6; 1998-215, s. 3.)

### 02 NCAC 52J SECTION .0200 - FACILITIES AND OPERATING STANDARDS

#### **02 NCAC 52J .0202 INDOOR FACILITIES**

(b) Indoor housing facilities for dogs and cats shall be adequately ventilated to provide for the health and comfort of the animals at all times. The facilities shall be provided with fresh air either by means of windows, doors, vents or air conditioning and shall be ventilated so as to minimize drafts. Air flow shall be adequate to minimize odors and moisture condensation.

(d) Interior building surfaces of indoor facilities with which animals come in contact shall be constructed and maintained so that they are impervious to moisture, and can be readily sanitized.

*History Note:* Authority G.S. 19A-24;  
Eff. April 1, 1984;

*Amended Eff. January 1, 2005.*

**02 NCAC 52J .0203        OUTDOOR FACILITIES**

(a) In outdoor facilities that are subject to the Animal Welfare Act, primary enclosures and walkways with which an animal comes in contact shall be constructed of sealed concrete or other surfaces impervious to moisture. Gravel may be used if maintained at a minimum depth of six inches and kept in a sanitary manner.

*History Note:        Authority G.S. 19A-24;  
                             Eff. April 1, 1984;  
                             Amended Eff. March 23, 2009; January 1, 2005.*

**02 NCAC 52J .0204        PRIMARY ENCLOSURES**

(a) Primary enclosures shall be constructed so as to prevent contamination from waste and wastewater from animals in other enclosures. All surfaces with which an animal comes in contact shall be impervious to moisture. For primary enclosures placed into service on or after January 1, 2005, no wood shall be within the animal's reach. For primary enclosures in use in a licensed or registered facility prior to January 1, 2005, any damaged wood must be replaced in a manner that does not permit contact with wood by the animal.

(b) Primary enclosures for dogs and cats shall be structurally sound and maintained in good repair and in a manner to prevent injury to animals and keep other animals out. Primary enclosures shall be constructed so as to provide space to allow each dog or cat to walk, turn about freely, and to easily stand, sit, or lie in a natural position. The height of a primary enclosure other than a cage shall be no less than five feet. All enclosures shall be constructed to prevent the escape of animals.

*History Note:        Authority G.S. 19A-24;  
                             Eff. April 1, 1984;  
                             Amended Eff. January 1, 2005; April 1, 1985.*

**Narrative Explanation, if needed**

I performed a follow up inspection today and found the same inadequacies noted in the previous two inspections.

Cover dirt surfaces in outside play area with grass, gravel, concrete or sand as noted during two last inspection. Do Not use this area until this has been completed.

It was noticed today that this play area is being used due to the fresh dog tracks in the mud.

Repair walls in kennels # 20,17,10,16 & PC6 as noted during last two inspections. I explained to Dave Grindstaff he states he is the husband of the owner Lisa Shaw during previous inspection that it appears the canine are eating the Styrofoam insulation in the damaged walls.

**Narrative Explanation, if needed**

I Visited this facility to follow up on inadequacies noted during last inspection dated 12/12/2015. The owner stated nothing has been done because he did not receive an email inspection report.

Cover dirt surfaces in outside play area with grass, gravel, concrete or sand as noted during last inspection. Do Not use this area until this has been completed.

Seal wood damaged from chewing around windows in big dog inside play area as noted during last inspection, repair walls in kennels # 20,17,10,16 & PC6.

This facility has 10 days to correct these problem. I will return at some point after the 10 day period for re-inspection if this facility.

**Narrative Explanation, if needed**

I performed an annual inspection today and found a few inadequacies that need to be addressed. This approval is contingent upon all inadequacies being corrected within 10 days.

Cover dirt surfaces in outside play area with grass, gravel or concrete as noted during last inspection, owner states this will be done when weather permits. Do Not use this area until this has been completed. Seal wood around windows and post in big dog inside play area as noted during last inspection, repair walls in kennels # 20,17,10,16 & PC6.

I have taken pictures of all inadequacies indicated, above. I examined the records for the animals at this facility; they were complete and adequate.

This facility has 10 days to correct these problem. I will return at some point after the 10 day period for re-inspection if this facility.
